### OPAG School Parliament

Dear Parents/Carers,

I am honoured to inform you that once again Outwood Primary Academy Greystone have been asked to join scuba-diving for all at their annual Santas Grotto.

This is an event that we have had the privilege of being part of for the past three years. Each year I am overwhelmed by the support and by the exemplary behaviour displayed by the children of our School Parliament.

As always, this event will take place at **Ripon Town Hall** and this year it is happening on **Saturday, the 30th of November 2019**.

As there are many of you this year we have decided to attend in two shifts. This will allow for more children to take part and ensure that there are not too many elves at any one time - we found last year that some elves did not have a job to do.

The timings for each shift are **9am-11am** and **11am-2pm**. I would like to add that the children are not expected to stay for the full time and are free to leave when they are ready.

Scuba-diving for all have generously offered for every child who attends to meet with Santa and receive a gift at no charge. I will pass over all ages so that the gift they receive is age and gender appropriate.

I will be there (Head Elf) supported by some of our Greystone team but as always we ask that you either stay in the cafe at the event or are nearby to chaperone your child.

If your child would like to take part in this event firstly please fill out the form below. Your child will need an **elf costume** (unfortunately we are not able to provide these for your child.)

Scuba-diving for all would like us to arrive at **8:45 am** to allow for a briefing with Yvonne (event organiser) who will direct us to our duties for the day.

Mrs Went will be there to meet with you on the steps of the town Hall at this time.

If you have any questions, please do not hesitate to contact me via the school office.

Warmest regards,

Mrs Jennifer Went  
School Parliament Lead
