Dear Parent/Carer

As ever staff at Outwood Primary Academy Greystone value your positive outlook towards your child's education, your support to the Academy at various events and your positive comments both in person and on social media. You have worked incredibly hard, along with staff, to move Greystone forward over the past three years.

This is now a key time for us in evidencing to the wider world just how far we have come and much of that is down to yourselves; the OPAG community.

In order for all the hard work to be recognized we would like you to take five minutes of your precious time to complete the Ofsted Parent View survey, as per the link below:-

<https://parentview.ofsted.gov.uk/parent-view-results/survey/result/178909/10>

This really is our time to shine and for people looking in to just know how amazing our school and your children are.

If you have any issues completing the survey please contact the school office who will assist you.

Yours sincerely

V Kirkman  
Principal
