

Welcome Year 6!

Firstly I'd like to say just what a fantastic start your children have had to what is an unprecedented start to a school year. Each and every pupil in Year 6 has shown the maturity, responsibility and resilience to make a fresh and positive start to their learning whilst adhering to or stringent safety protocols. We are overwhelmed with pride!

To give you a little more information about our week:

PE days - Monday and Friday - Dance and Games.
Clubs (voluntary sign up)- Monday - Dodgeball **Thursday** - SATS preparation club

We will regularly be posting our exciting learning and amazing pupils' achievements on our class Twitter page which can be found here: [@OPAG_Year_6](#)

On the reverse side of this letter is our knowledge organiser for our termly topic - North America. It would be great for you to familiarise yourself with some of the things your child will learn, maybe ask them some questions or do some research for our homework projects together.

Our modern foreign language is french and we will be regularly speaking and writing this wonderful language. Encourage your child to be brave and possibly practice at home.

We thoroughly appreciate all the efforts you have gone to prepare your child for their return to school. They have made the best possible start and we will endeavour to make every second count in this, their final year with us at Outwood Academy Greystone.

Warm regards,

The Year 6 Team
Mr Bates, Miss Mullery, Mrs Dunn and Mrs Dalton
